What will be available?

It will not be possible to take the full range of tests within this qualification in 2021, because of the public health crisis. However, it *will* be possible for candidates to take the Speaking test on-line and receive a Statement of Attainment, including the mark awarded.

When will this take place?

The test will be available on this date:

Friday 18 June 2021

Your exam centre will let you know the exact time of your Speaking test.

By when do I need to register?

You must register by 5 March 2021. Late registrations will not be accepted.

How much does the exam cost?

There is no fee for candidates who have registered on a 'Learn Welsh' course in 2021. However, on registration, you are committed to taking the test. If you are a private candidate, contact your exam centre to get information about the fee.

How do I register?

All candidates must register with their 'Learn Welsh' provider. You are responsible for this, not your tutor. You can not register directly with WJEC.

What happens in the Speaking test?

All speaking tests will be recorded on the teaching platform used by your provider (e.g. Zoom or MS Teams). The recording will be sent to WJEC and will be assessed externally. Do not register unless you are willing to be recorded in this way.

Usually, the test lasts for 10-12 minutes.

You will have to show the interviewer your photographic ID, to confirm your identity.

Content of the test

There are 3 parts to the Speaking test:

- i. Getting information
- ii. Talking about yourself
- iii. Asking the interviewer questions

The interviewer will share the 'Candidate's Sheet' at the start of the test. You will have a minute to look at the advertisement or notice, before starting the recording. The interviewer will control the screen and move from one part to the next.

i. Getting information

On the screen, there will be an advertisement or notice, with 5 gaps. You must ask the interviewer questions to get the missing information. You do not need to make a note of the answers.

ii. Talking about yourself

The interviewer will ask you to choose 1 card out of 3. On the card there will be 5 topics – any 5 from this list:

1. Animals
2. Food
3. Healthy living
4. Neighbours
5. Sports
6. Reading
7. Celebrating
8. Interests
9. Clothes
10. I don't like...
11. School days
12. Learning Welsh
13. Work
14. Last holiday
15. Next holiday

16. Favourite place
17. When I was a child...
18. Shopping
19. If I were 18 again...
20. Technology
21. Travel
22. TV or radio
23. Family or friends
24. Next year
25. Last weekend
26. Next weekend
27. The house
28. The area

You have to say something about your personal experience related to each one of the topics on the chosen card. As a guide, it is suggested that you talk for up to a minute about each one. The interviewer will ask you questions, based on what you've said about each topic.

iii. Asking the interviewer questions

The interviewer will then ask you to choose one of the topics on the card. You have to ask the interviewer questions related to that topic, and ask follow-up questions based on the interviewer's answers.

You will be assessed on your ability:

- to ask questions correctly
- to ask appropriate questions
- to talk correctly
- to use a range of patterns and vocabulary
- to pronounce Welsh
- to speak fluently
- to interact with another speaker

Results

You will get your mark for the Speaking test approximately 8 weeks afterwards, and receive a Statement of Attainment by the end of September. There are no grades for this test, only Pass/Fail.

This booklet is only an outline of the test. Full details are in the specification for tutors. Example papers are also available on the WJEC website, and video examples of Speaking tests, see www.wjec.co.uk under 'Welsh for Adults Foundation'.
