What will be available?

It will not be possible to take the full range of tests within this qualification in 2021, because of the public health crisis. However, it *will* be possible for candidates to take the Speaking test on-line and receive a Statement of Attainment, including the mark awarded.

When will this take place?

The date of the test will be:
Friday 11 June 2021
Your exam centre will let you know the exact time of your Speaking test.

By when do I need to register?

You must register by 5 March 2021. Late registrations will not be accepted.

How much does the exam cost?

There is no fee for candidates who have registered on a 'Learn Welsh' course in 2021. However, on registration, you are committed to taking the test. If you are a private candidate, contact your exam centre to get information about the fee.

How do I register?

All candidates must register with their 'Learn Welsh' provider. You are responsible for this, not your tutor. You can not register directly with WJEC.

What happens in the Speaking test?

All speaking tests will be recorded on the teaching platform used by your provider (e.g. Zoom or MS Teams). The recording will be sent to WJEC and will be assessed externally. Do not register unless you are willing to be recorded in this way.

Usually, the test lasts for approximately 20 minutes.
You will have to show the interviewer your photographic ID, to confirm your identity.

Content of the test

There are 2 parts to the Speaking test:

i. Topic discussion
ii. General conversation

i. Topic discussion

The organiser will send the Candidate's Sheet to you by e-mail 30 minutes before the start of the test in order for you to prepare the discussion topic. You must choose one topic to discuss with the interviewer. This part lasts around 5 minutes.

ii. General conversation

The interviewer will ask you questions about your background, work, family, interests, your experiences learning Welsh, holidays or any subject which crops up during the conversation.

You will be assessed on your ability to:

- speak accurately
- vary tenses and vocabulary
- interact with the interviewer
- to chat appropriately
- to pronounce Welsh
- to extend responses

Results

You will get your mark for the Speaking test approximately 8 weeks afterwards, and receive a Statement of Attainment by the end of September. It's possible to get Distinction or Pass (or Fail) in this test. To pass, you usually need to achieve 60% of the possible marks. The exact grade boundary is decided in an award meeting.

Full specification and example papers

This booklet is only an outline of the test. Full details are in the specification for tutors. Example papers are also available on the WJEC website, and video examples of Speaking tests, see www.wjec.co.uk under 'Welsh for Adults Intermediate'.

Data protection

If you register to take an exam with your 'Learn Welsh' provider, you will be asked to provide certain personal data. Your registration data will be shared with the National Centre for Learning Welsh. Some of these data, i.e. forenames, surname, date of birth and gender, will be sent by the National Centre for Learning Welsh to WJEC. It is necessary for your personal data to be shared in this way in order to facilitate your taking the exam and receiving an award. Information about how WJEC processes your personal data is available here: www.wjec.co.uk under About us > Policies > Data Protection/Privacy Policy.
