

National Centre for Learning Welsh Strategic Plan (2021-2026)

Consultation document

The National Centre for Learning Welsh invites your comments on its draft Strategic Plan for 2021-26.

Since its formation in 2016, the Centre has placed great emphasis on working in partnership with others to provide the best opportunities for Welsh learners. In order to support us in creating a plan that is as ambitious and attainable as possible, we would appreciate your opinion on the plans outlined. Following receipt of the comments, we will review the draft and publish a final version over the summer. We are grateful to the Centre's course providers and its Company Board and Advisory Board for their comments during the development of this document.

To facilitate the receipt of responses, we have compiled five questions and you are invited to respond to the consultation with reference to the specific questions. We ask that you complete this form and email it to office@learnwelsh.cymru by 2pm on Friday, 21 May 2021.
