Apps are a great way to keep your children entertained when you're busy or on the go, and many have educational benefits too. In recent years, Welsh apps have been developed for children of all ages, such as Tric a Chlic, Magi Ann, Mistar Urdd and Nofel Graffeg, as well various Cyw and Stwnsh apps.

Why not download a Welsh app today? The Welsh Government's Hwb website (hwb.gov.wales) would be a good place to search.

Mudiad Meithrin is the main provider of Welsh-medium early years care and education in the voluntary sector. If you have young children, they might be attending a local Cylch Meithrin or a Cylch Ti a Fi run by Mudiad Meithrin.

As well as supporting your child's personal, social and emotional development, these Cylchoedd (circles or groups) will give your child a head start in Welsh and prepare them for Welsh-medium primary education. Mudiad Meithrin also produce exciting and innovative educational resources. Visit www.meithrin.cymru for more information.

Cân: Un bys, dau fys

This is one of the first songs that young children learn in their Cylch Meithrin or Nursery.

Un bys, dau fys, tri bys yn dawnsio,	<i>One finger, two fingers, three fingers dancing,</i>
pedwar bys, pum bys, chwe bys yn dawnsio,	<i>four fingers, five fingers, six fingers dancing,</i>
saith bys, wyth bys, naw bys yn dawnsio,	<i>seven fingers, eight fingers, nine fingers dancing</i>
deg bys yn dawnsio'n llon.	<i>ten fingers dancing happily.</i>

The video below of children at a Cylch Meithrin was produced by Newport City Council.
